Foundation

Please join us on one of the Kansas City area's finest golf courses for the annual ALI KEMP EDUCATIONAL FOUNDATION Golf Classic. All proceeds from this golf tournament will benefit local young women in the art of self defense. It's a fun event that will make a difference in the lives of thousands of teens and women throughout the country. The Take Defense classes have trained over 36,000 women in the art of self defense that gives them the skill, confidence and awareness in life-threatening situations. Please be a part of this fun, empowering and educational event. For more information, please contact Bob Fessler at Lamar Advertising (816) 924-5900.
